SECURITY

ACCESSING THE UNITED STATES MILITARY ACADEMY

West Point is an active military installation and security is top priority. To access West Point, you must enter through a security checkpoint. Team vans and buses should be checked prior to leaving your campus or hotel, as all vehicles are subject to inspection at the gate. All personnel should have proper photo identification (driver’s license, passport, etc.) in hand at the checkpoint. **Team buses MUST enter through Stony Lonesome Gate.** Personally owned vehicles can access the installation through one of two gates: **Stony Lonesome Gate or Washington Gate.**

Please note, beginning in January 2016, visitors with driver’s licenses from the states of **Illinois, Minnesota, Missouri, New Mexico and Washington** will have to use another approved form of identification to enter West Point. Acceptable alternate forms of identification are a US passport, a permanent resident card / Alien registration receipt card (form 1-551), a foreign passport with a temporary 1-551 stamp, visa or an employment authorization document that contains a photograph (form 1-766). Student athletes and coaches that do not possess one of these forms of identification must present a student ID or employment card.

VISITOR ACCESS POLICY

Unescorted visitors 17 years of age and above without a valid (not expired) Department of Defense issued identification card are asked to report to the Visitor Control Center at 2107 New South Post Road West Point, NY 10996 to apply for a West Point Local Area Credential.

The Visitor Control Center is open Monday – Friday from 8:00am to 6:00pm. When the Visitor Control Center is closed, visitors will be directed by electronic signs to proceed to the entrance gates. Please call the Visitor Control Center at 845-938-0390 with any questions.

SECURITY / VENUE EVACUATION

The United States Military Academy is a national historic institution. West Point and Army West Point Athletics have developed evacuation plans in the event of emergency. If these plans went into effect, assigned Army West Point Athletics personnel would assist both teams and game officials out of the competition venue.
HOSPITALIZATION

Athletes requiring emergency medical care will be transported to the Keller Army Community Hospital (KACH). Military members may use KACH for non-emergency care as well:

KELLER ARMY COMMUNITY HOSPITAL
900 Washington Road
West Point, NY 10996
845-938-4004/4005

Civilian non-emergency care can be referred to St. Luke’s Hospital:

ST. LUKE’S HOSPITAL
70 Dubois Street
Newburgh, NY 12550
845-561-4400

WEATHER CALLS (DELAYS, POSTPONEMENTS AND CANCELLATIONS)

If there is a delay, postponement or cancellation a member of the Army West Point Athletics Operations staff will contact the opposing head coach, school administrator and the game officials directly. Army West Point Athletics adheres to a strict lightning and cold weather policy. For further information, please reach out to your designated event manager directly.
